

Employee Involvement in Private, But Public  
Education-Related Activities

**POLICY AA444 PARENT NOTIFICATION AND RELEASE OF LIABILITY**

I, the undersigned, understand that the public school employee listed below will perform the duties associated with participation in a private, but public education-related activity separately and apart from his/her employment with Jordan School District as per Jordan School District Policy AA444, Employee Involvement in Private, but Public Education-Related Activities. Furthermore, the performance of these duties will not interfere with the performance of employment duties with the school district in any way.

I do not hold Jordan School District liable for actions of this employee while providing the stated activity as listed below.
